Pimmit Hills Clean-Up Day and Community Yard Sale set for Saturday, April 28 at Pimmit Hills High School

The Pimmit Hills Citizens Association is sponsoring a community **Clean-Up Day and Yard Sale** on Saturday, April 28 at the Pimmit Hills High School on Lisle Avenue in Pimmit Hills.

The Community Yard Sale will be held at the PH High School parking lot from 9:00 am to 4:00 pm. The local Lions Club will have food and refreshments; and PHCA will hold a Bake Sale along with a Membership Renewal table. Spaces to sell your stuff are \$15 each; contact a PHCA Board Member to reserve your space.

Fairfax County refuse trucks will be at the school parking lot to haul away big pieces of junk starting at 8:00 am and ending sharply at Noon that day.

In order to drop stuff off, you must be a member of the Pimmit Hills Citizens Association. If you haven't sent in your dues yet, PHCA will have a table collecting yearly membership dues or fill out the form in this newsletter.

If you've never taken advantage of Clean-Up Day, it's an amazing thing to watch the Fairfax County garbage

trucks "eat" an entire couch. They also use a truck with a big crane which picks up all the large metal pieces. The day is also a great time to help out, meet fellow PH'ers and even spot a treasure that someone else is throwing away.

We need volunteers to help out with the Clean-Up Day and/or the Yard Sale. To help unload cars for the Clean-Up, be sure to wear old clothes and bring work gloves. Please contact a PHCA Board Member (contact information is the on the top left-hand column) if you are able to help out or if you would like to buy a Yard Sale space (\$15 per space).

So mark your calendars now for Saturday, April 28, rain or shine, for a great day to clear out the clutter and junk from around your home—either by throwing it away or by selling it! ■

Storm Drain Project

Dan Welch, a Boy Scout in Troop 681, is focusing his Eagle Scout project on storm drain education. On Saturday, April 28, he and his team of volunteers will be placing decals on 289 Pimmit Hills storm drains reminding people not to dump waste in them. Please DON'T PARK your car in front of the storm drain that day. He'll also be distributing flyers highlighting the dangers of dumping contaminants into storm drains. ■

Help influence Tysons Corner Land Use

The face of Tysons Corner is in the process of being radically changed due to major transportation, residential and commercial development projects.

You can be a part of the process. Contact Pimmit Hills Land Use and Transportation Committee head Carrie Lake (703-821-3336) for more information and details

on how you can help ensure that the voice of Pimmit Hills is heard in all the changes.

For more information about the proposed changes to Tysons Corner, go to: <http://www.fairfaxcounty.gov/dpz/tysonscorner/> and the comprehensive plan. It's come a long way since a general store and gas station in the 1950s! ■
